

4 April 1956

MEMORANDUM FOR: SAC/INS

SUBJECT : Revised Table of Organization

1. Pursuant to instructions of your office there is attached a revised table of organization for the SA Division. This revision provides for an allocation of positions in accordance with the personnel ceiling of the Division -

25X9A2

25X9A2

2. Although the organization of [redacted] has been changed there has been no change in the functions of the Station. The T/O reorganization is designed to reflect more accurately the lines of authority, responsibilities and duties actually being performed. This T/O reorganization was approved in principle by all appropriate "HQ Staff" elements when the T/O was submitted in September 1955.

25X1A6a

3. For planning purposes 37 positions in addition to the authorized ceiling have been included on the T/O. These positions have been underlined in red and activation at this time is not desired.
